

Expert Family Name	Expert First Name	Expert Gender	Expert Type	Expert 1st Nationality Code	Most Recent Employer Name	Most Recent Employer Country	Most Recent Employer City	Skills and Competences
Adamski	Andrzej	M	EVALUATOR	PL	Technology Management Consultants Poland	Poland	Wlosan	Thin films // Surface science and nanostructures // Surface modification // Production technology, process engineering // Production technology // Novel Materials // New materials: oxides, alloys, composite, organic-inorganic hybrid, nanoparticles // Metal technology // Mechanical engineering // Materials technology // Materials Processes // Materials engineering (biomaterials, metals, ceramics, polymers, composites, etc.) // Materials Engineering // Biomaterial engineering
Aleksander	Aneta	F	EVALUATOR	PL	Upper Silesian Agency for Entrepreneurship and Development	Poland	Gliwice	Technology transfer // Promotion and advertising // Programme/project/thematic/monitoring // Marketing // Leadership development // Intercultural business communication // Innovation support services // Innovation Management Assessment // Incubator companies // Human resource management // Ethics // Entrepreneurship // Corporate Social responsibility // Business strategies // Business plan // Business coaching and mentoring // Application assessment // Ability to telework
Bukała	Aleksandra	F	EVALUATOR	PL	SENER Poland	Poland	Warsaw	Types of innovation // Technology transfer // Technology development // Technology commercialisation // Strategic management // Space platforms // Satellites and Probes // Robotics and automatic control // Protection of areas and infrastructures // Mechanisms & Tribology // Ground platforms // Entrepreneurship // Crisis management // Control of disarmament/ fight against proliferation // Business development // Business and Management // Business analysis // Automation, Telepresence & Robotics // Automation // Aerospace engineering
Felba	Jan	M	EVALUATOR	PL	Wroclaw University of Technology	Poland	Wroclaw	Nanotechnology // Electronics, photonics // Electronic engineering
Ganzha	Maria	F	EVALUATOR	PL	University of Gdansk	Poland	Gdansk	Software engineering, operating systems, computer languages // Ontologies, neural networks, genetic programming, fuzzy logic // Numerical analysis, simulation, optimisation, modelling tools, data mining // Internet and semantic web, database systems and libraries // Informatics and information systems // Human computer interaction and interface, visualization and natural language processing // E-learning, user modelling, collaborative systems // Computer systems, parallel/distributed systems, sensor networks, embedded systems, cyber-physical systems // Computer architecture, pervasive computing, ubiquitous computing // Cognitive science, human computer interaction, natural language processing // Bioinformatics, e-Health, medical informatics // Artificial intelligence, intelligent systems, multi agent systems
Gola	Bartlomiej	M	EVALUATOR	PL	SpeedUp Venture Capital Group	Poland	Poznan	Venture operator // Strategic management // Start-up companies // Seed capital // Promotion and advertising // Marketing strategy // Incubator companies // Entrepreneurship education // Entrepreneurship // Crowdfunding // Company valuation // Business strategies // Business plan // Business models // Business environment (legal and administrative) // Business development // Business coaching and mentoring // Angel investment
Grochła	Krzysztof	M	EVALUATOR	PL	Proximetry Poland Sp. z o.o.	Poland	Katowice	Wireless communications, communication, high frequency, mobile technology // Telecommunications // Programme/project/thematic/monitoring // Network technology // Networks (communication networks, sensor networks, networks of robots, etc.) // Networks beyond 3G // Management and monitoring of large cooperation/partnership/network projects // Knowledge support networks // Innovation methodologies // Information and communication technologies // Event moderation // Evaluation of programmes/projects // Computer architecture, pervasive computing, ubiquitous computing // Communication engineering and systems telecommunications // Broadband technology // Application of New technologies to the Audio-Visual production // Application assessment
Gryszkiewicz	Lidia	F	EVALUATOR	PL	Public Research Centre Henri Tudor	Luxembourg	Luxembourg	Social innovation // Service innovation // Project management and coordination // Open innovation // Open Educational Resources and Practices // Knowledge management // Knowledge and Technology transfer // Innovation methodologies // Innovation Management Consulting // Innovation Management Assessment // Innovation // Incubator companies // ICT based learning // Generic skills // Entrepreneurship // Crowdsourcing // Creativity management // Competitiveness, innovation, research and development // Business plan // Business analysis
Jążdżyk	Mariusz	M	EVALUATOR	PL	Orange Poland	Poland	Warsaw	Very large data bases // Semantic web technologies // Scientific computing and data processing // Real time data analytics // Open data // Numerical analysis, simulation, optimisation, modelling tools, data mining // Linked open data // Linked (open) data // Information management // Data visualization // Data stream analysis // Data mining // C2, Information and intelligence systems // Artificial intelligence, intelligent systems, multi agent systems // Artificial Intelligence & Decision support
Jolanta	Pauk	F	EVALUATOR	PL	Orthopaedic and Prosthetic Company	Poland	Bialystok	Technological sciences // Medical pathology // Medical laboratory technology (including laboratory samples analysis diagnostic technologies) // Medical engineering // Health sciences // Health-related biotechnology // Generic skills // Gender in medical biotechnology // Gender in health sciences // Gender in basic medicine // EUROPE FOR CITIZENS // EU AID VOLUNTEERS // ERASMUS+ // Education // Academic profile
Koloszcyk	Tomasz	M	EVALUATOR	PL	Orange S.A.	Poland	Warsaw	Wireless communications, communication, high frequency, mobile technology // Technology implementation // Technology evaluation // Technology development // Project management and coordination // Network technologies // Internetworking // Networks (communication networks, sensor networks, networks of robots, etc.) // Monitoring and control systems // Internet of Things // Internet architectures // Intelligent Transport Systems (ITS) // Innovation Management Consulting // Information technology // FIRE, Future Internet Research and Experimentation // Distributed Social Networks // Computer hardware and architecture // Computer architecture, pervasive computing, ubiquitous computing // Communication engineering and systems telecommunications // Business plan // Business development
Kulik	Wojciech	M	EVALUATOR	PL	Futureful	Poland	Rybnik	E-commerce // Computer sciences, information science and bioinformatics
Liminowicz	Krzysztof	M	EVALUATOR	PL	Przedsiębiorstwo Wdrożeń Innowacji Gospodarczych Sp. z o.o. (Business Innovating Company Ltd.)	Poland	Bydgoszcz	Technology transfer // Technological innovation // Seed capital // Sales management // Project financing // Product innovation // Private equity // Innovation Management Consulting // Feasibility analysis // Due diligence // Demand driven innovation // Cost estimation / analysis // Corporate financing // Angel investment
Mackiewicz	Artur	M	EVALUATOR	PL	DANTOM sp. z o.o.	Poland	Poznań	Strategic management // Sales management // Promotion and advertising // Marketing strategy // Market development // International politics // International marketing // Incubator companies // Geopolitics // Food packaging // Entrepreneurship // English language // Economics // Economic geography // Contemporary history // Business strategies // Business plan // Business development // Business analysis
Michalowska-Knap	Katarzyna	F	EVALUATOR	PL	ECBREC Institute for Renewable Energy	Poland	Warsaw	Sustainable Energy Action Plans // Risk assessment // Renewable electricity // Prosumers // Project Development Assistance // Policy & strategy // Policy making on renewable energies // Policy development // Market analysis and modelling // Local sustainable energy supply // Local & Regional Energy Agencies // Financing mechanisms // Financing for renewable energies // Energy systems, smart energy, smart grids, wireless energy transfer // Energy Management Systems // Energy Economics // Energy collection, conversion and storage, renewable energy // Electricity Transmission/Distribution // Electricity storage // Electricity Market/Regulations
Momot	Jaroslaw	M	EVALUATOR	PL	Medical University	Poland	Lublin	Venture operator // Technology transfer // Technology commercialisation // Seed capital // Research to business // Quality of adult learning // Promotion and advertising // Project financing // Marketing strategy // International cooperation // Financial and budgetary analysis // Feasibility analysis // Event moderation // Entrepreneurship // Continuing professional training // Business plan // Business coaching and mentoring // Business analysis // Application assessment // Angel investment
Momotko	Mariusz	M	EVALUATOR	PL	Bank BPH, General Electric Capital	Poland	Tczew	Technology implementation // Technology evaluation // Technology commercialisation // Technology assessment // Systems analysis and models development // Software technology // Risk management // Middleware // Knowledge and Technology transfer // Internet technology // Corporate financing // Business models // Banking
Ogorzałek	Maciej	M	EVALUATOR	PL	Jagiellonian University	Poland	Krakow	Micro (system) engineering // Medical engineering, biomedical engineering and technology // Information technologies // Information and communication technologies // Electrical and electronic engineering: semiconductors, components, systems // Biomedical engineering
Owczarzak	Karolina	F	EVALUATOR	PL	Oracle America Inc.	United States	Washington, D.C.	Natural language processing // Machine translation

Piotrowski	Piotr	M	EVALUATOR	PL	Astra Zeneca UK Ltd	United Kingdom	London	Urology and nephrology // Transplantation // Translational medicine // Rheumatology // Pharmacology and pharmacy // Other clinical medicine subjects // Ophthalmology // Oncology // Obstetrics and gynaecology // Neurosciences (including psychophysiology) // Neurodegenerative disorders // International marketing // Innovation strategies // Immunology // Human genetics // Endocrinology and metabolism (including diabetes, hormones) // Clinical neurology // Business plan // Business development // Brand positioning
Poszepczyńska	Magdalena	F	EVALUATOR	PL	Synteo SA	Poland	Lublin	Vocational Education and Training (VET) // School Education // Project management and coordination // Project financing // New business opportunities // Language training and learning // ICT based learning // Exploitation of results // Entrepreneurship education // Entrepreneurship // Education policies // Education // Dissemination of results // Business support services // Business plan // Business coaching and mentoring // Adult Education
Predkiewicz	Katarzyna	F	EVALUATOR	PL	Wroclaw University of Economics	Poland	Wroclaw	Seed capital // Project valuation // Project management and coordination // Project financing // Private equity // Innovation methodology // Innovation good practice // Innovation financing // Innovation dissemination // Financial management // Feasibility analysis // Entrepreneurship // Due diligence // Cost estimation / analysis // Corporate financing // Company valuation // Business strategies // Business plan // Business analysis // Angel investment
Roszkowska	Elzbieta	F	EVALUATOR	PL	Wroclaw University of Technology	Poland	Wroclaw	Systems engineering // Smart manufacturing // Programme/project/thematic/monitoring // Production technology // Management and monitoring of large cooperation/partnership/network projects // IT skills and competence // Internet Services & Applications // Information technology // Industrial engineering // Event moderation // Evaluation of programmes/projects // Education // Control engineering // Computer technology // Computer systems, parallel/distributed systems, sensor networks, embedded systems, cyber-physical systems // Automation // Artificial intelligence, intelligent systems, multi agent systems // Application assessment // Academic profile // Ability to telework
Szczechowiak	Piotr	M	EVALUATOR	PL	Zylia Sp. z o. o.	Poland	Poznan	Wireless communications, communication, high frequency, mobile technology // Sensor networks, embedded systems, hardware platforms // Scientific computing, simulation and modelling tools // Networks (communication networks, sensor networks, networks of robots, etc.) // Management and monitoring of large cooperation/partnership/network projects // Machine learning, statistical data processing and applications using signal processing (e.g. speech, image, video) // Intelligent Transport Systems (ITS) // Event moderation // Electrical and electronic engineering // Computer systems, parallel/distributed systems, sensor networks, embedded systems, cyber-physical systems // Computer sciences, information science and bioinformatics // Computer hardware and architecture // Computer games, multi-media, augmented and virtual reality // Computer architecture, pervasive computing, ubiquitous computing // Communication technology, high-frequency technology // Communication networks, media, information society // Communication engineering and systems telecommunications // Algorithms, distributed, parallel and network algorithms, algorithmic game theory
Uss	Michał	M	EVALUATOR	PL	PSE S.A. (Polish Transmission System Operator)	Poland	Konstancin-Jeziorna	Strategic management // Risk assessment // Project valuation // Project financing // Permitting Procedures // Marketing strategy // Market development // Market analysis and modelling // Financing mechanisms // Feasibility analysis // Energy Economics // Electricity Transmission/Distribution // Electricity Market/Regulations // Cost estimation / analysis // Corporate financing // Business plan // Business development
Wisniewski	Rafał	M	EVALUATOR	PL	Aalborg University	Denmark	Aalborg	ODE and dynamical systems // Control theory and optimization // Control engineering // Automation and control systems
Wojciechowicz	Andrzej Bogusław	M	EVALUATOR	PL	FMCG Business Consulting	Poland	Warsaw	Start-up companies // Spin-off companies // Small Medium enterprise studies // Service providers // Retail studies // Quality management // Organisational management / development // Microeconomics // Market analysis // International commerce // Incubator companies // Entrepreneurship // Consumer studies // Consumer services // Company valuation // Business support systems // Business support services // Business plan // Business economics // Auditing
Wrona	Konrad	M	EVALUATOR	PL	NATO Communications and Information Agency	Netherlands	Den Haag	Training and exercises // Security metrics // Secure software engineering // Risks assessment, modelling and impact reduction // Risks and vulnerabilities assessment // Risk reduction // Network technologies / Internetworking // Networks and information security systems // Interoperable secured communications (Security systems architecture) // Internet of Things // Internet architectures // Information technologies // Information Security Technologies // FIRE, Future Internet Research and Experimentation // Ergonomic and Human factors // Data mining // Critical infrastructure, emergency systems, security, safety engineering // Computing Technologies // Communication technologies // Artificial Intelligence & Decision support
Wrześniak	Sławomir	M	EVALUATOR	PL	Sławomir Wrześniak PORTFINCONSULT	Poland	Gdynia	Supply chain management // Railway // Project valuation // Project management and coordination // Project financing // Modal shift / commodity // Market intelligence // Marketing // Freight and logistics // Due diligence // Cost estimation / analysis // Corporate financing // Company valuation // Business plan // Business development
Wypych	Tomasz	M	EVALUATOR	PL	Krakow Medical Association	Poland	Krakow	Strategic management // Risk management // Project valuation // Project management and coordination // Project financing // Financing mechanisms // Financing for renewable energies // Feasibility analysis // Entrepreneurship // Cost estimation / analysis // Company valuation // Business support services // Business strategies // Business plan // Business models // Business environment (legal and administrative) // Business development // Business analysis
Zasikowska	Agnieszka	F	EVALUATOR	PL	Konsultant.biz	Poland	Warsaw	Social sciences // Quantitative analysis of large scale international surveys // Project financing // Programme/project/thematic/monitoring // Impact evaluation // Generic skills // Financial and budgetary analysis // Experience in the field : between 4 and 10 years // Event moderation // Due diligence // CREATIVE EUROPE // Cost estimation / analysis // Corporate financing // Business plan // Business environment (legal and administrative) // Business analysis
Zawadzki	Piotr	M	EVALUATOR	PL	Silesian University of Technology	Poland	Gliwice	Quantum optics and quantum information // Cryptology, security, privacy, quantum crypto
