

Expert Family Name	Expert First Name	Expert Gender	Expert Type	Expert 1st Nationality Code	Most Recent Employer Name	Most Recent Employer Country	Most Recent Employer City	Skills and Competences
Abramczyk	Halina	F	EVALUATOR	PL	Lodz University of Technology	Poland	Lodz	Technological sciences // Spectroscopic and spectrometric techniques // SEVENTH FRAMEWORK PROGRAMME FOR RESEARCH (FP7) // Science // Physical sciences // Physical chemistry // Photochemistry // Optics (including laser optics and quantum optics) // NMR, IR, NIR, RAMAN UV-VIS // Health sciences // EUROPE FOR CITIZENS // EU AID VOLUNTEERS // ERASMUS+ // CREATIVE EUROPE // Condensed matter physics (including formerly solid state physics, superconductivity) // Chemical instrumentation // Atomic, molecular and chemical physics (physics of atoms and molecules including collision, interaction with radiation magnetic resonances Moessbauer effect) // Analytical chemistry
Bala	Malgorzata	F	EVALUATOR	PL	Voivodship Unit of the State Sanitary Inspection	Poland	Krakow	Smoking // Public health and epidemiology // Public health // Pharmacoeconomics // Meta-analysis // Health technology assessment // Healthcare system // Epidemiology // Diagnostics // Clinical research // Chronic diseases
Barski	Jaroslaw	M	EVALUATOR	PL	Medical University of Silesia	Poland	Katowice	Neurosciences (including psychophysiology) // Neuroanatomy and neurophysiology // Molecular and cellular neuroscience // Histology // Developmental neurobiology // Animal biotechnology // Animal behaviour
Bielawski	Krzysztof	M	EVALUATOR	PL	University fo Gdańsk	Poland	Gdansk	Oncology // Molecular genetics // Molecular biology // Microbiology // Medical genetics // Health sciences // Genetics // Diagnostics
Bilski	Jan	M	EVALUATOR	PL	Jagiellonian University Medical College	Poland	Kraków	Sport medicine // Physiotherapy // Physical activity/Exercise // Organ physiology and pathophysiology // Nutrition related disorders // Nutritional sciences // Gastroenterology and hepatology // Gastroenterology // Clinical pharmacology
Brzecka	Anna	F	EVALUATOR	PL	Medical University	Poland	Wrocław	Respiratory systems // Clinical medicine // Chronic diseases // Behavioural neuroscience (e.g. sleep, consciousness, handedness)
Bujnicki	Janusz	M	EVALUATOR	PL	Adam Mickiewicz University	Poland	Poznan	Systems biology // Structural biology (crystallography and EM) // Structural biology // RNA synthesis, processing, modification and degradation // Phylogeny // Molecular evolution // Molecular design, de novo design // Molecular biophysics // Molecular biology and interactions // Molecular biology // Functional biology // Evolutionary biology // Enzymology // DNA synthesis, modification, repair, recombination and degradation // Computational modelling // Computational biology // Biophysics // Biological chemistry // Bioinformatics, biocomputing, and DNA and molecular computation
Cieslak-Blinowska	Katarzyna	F	EVALUATOR	PL	University of Warsaw	Poland	Warszawa	Systems biology // Neurosciences // Neuroimaging and computational neuroscience // Network biology // Medical engineering // Man-machine-interfaces // Computational biology
Czauderna	Piotr	M	EVALUATOR	PL	Medical University of Gdansk	Poland	Gdansk	Urology // Traumatology // Surgery // Robotics // Pediatrics // Oncology // Cancer and its biological basis // Anticancer therapy // Abdominal surgery
Czerwosz	Leszek	M	EVALUATOR	PL	Medical Research Center Polish Academy of Sciences	Poland	Warszawa	Software development // Signal processing // Physiological biophysics // Neurophysiology // Neuroinformatics // Neuroimaging and computational neuroscience // Medical physics // Man-machine-interfaces // Digital games, gamification, applied games, serious games // Computer games, multi-media, augmented and virtual reality // Biomedical engineering // Bioinformatics, e-Health, medical informatics // Artificial intelligence, intelligent systems, multi agent systems
Demkow	Urszula	F	EVALUATOR	PL	Medical University of Warsaw	Poland	Warsaw	Vaccines // Respiratory systems // Psychiatric disorders (e.g. schizophrenia, autism, Tourette's syndrome, obsessive compulsive disorder, depression, bipolar disorder, attention deficit hyperactivity disorder) // Pharmacology, pharmacogenomics, drug discovery and design, drug therapy // Phagocytosis and cellular immunity // Molecular genetics, reverse genetics and RNAi // International cooperation and networks // Innate immunity and inflammation // Impact evaluation // Immunological memory and tolerance // Immunogenetics // Hematology // Health-related biotechnology // Genomics, comparative genomics, functional genomics // Epigenetics and gene regulation // Cardiovascular diseases // Biomarkers // Anticancer therapy // Allergology // Adaptive immunity
Derkowska-Zielińska	Beata	F	EVALUATOR	PL	Faculty of Physics, Astronomy and Informatics Nicolaus Copernicus University	Poland	Torun	Quantum optics and quantum information // Physics of semiconductors // Photonic/Optical Materials and Device Technology // OPT Optics - Optronics - Lasers - Image processing and data fusion // Opto-electronics: Laser, optics and related devices // Optoelectronics // Optics, non-linear optics and nano-optics // Optics (including laser optics and quantum optics) // Optics // Optical system engineering // Optical equipment and instrument technology // Optical engineering, photonics, lasers // Optical component technology and materials // Optical Communications // Optical and dielectric properties // Nanoelectronics // Lasers, ultra-short lasers and laser physics
Duplaga	Mariusz	M	EVALUATOR	PL	Jagiellonian University Medical College	Poland	Krakow	Tele-medicine // Social medicine // Respiratory systems // Public health // Public and environmental health // Personalised medicine // Medical technology // Medical engineering // IT skills and competence // Information science (social aspects) // Healthy ageing // Health telematics // Health services, health care research // Healthcare system // Health care sciences and services (including hospital administration, health care financing) // Electronic patient files // Clinical medicine // Chronic diseases // Biomedical engineering // Academic profile
Gaczkowska	Agnieszka	F	EVALUATOR	PL	Medical University of Warsaw	Poland	Warsaw	Technological innovation // Quality of health care // Public health policies // Public health and epidemiology // Public health // Personalised services // Personalised care solution // Open innovation // Medicine // Medical sciences // Innovation methodologies // Innovation Management Consulting // Health services, health care research // Health sciences // Health management systems // Health management // Dermatology and venereal diseases // Dermatology // Clinical medicine
Gorecki	Pawel	M	EVALUATOR	PL	University of Warsaw	Poland	Warsaw	Software development // Evolutionary biology // Computer science // Computational biology // Bioinformatics // Algorithms
Gruca	Milosz	M	EVALUATOR	PL	Selvita SA	Poland	Krakow	Technologies involving identifying the functioning of DNA, proteins and enzymes and how they influence the onset of disease and maintenance of well-being (gene-based diagnostics and therapeutic interv // Molecular biology // Microbiology // Industrial bioengineering // Exploitation of research results // Diagnostics // Cell biology, Microbiology // Biotechnology // Bioremediation, diagnostic biotechnologies (DNA chips and biosensing devices) in environmental management // Biochemistry and molecular biology // Biochemistry // Biochemical research methods
Grygorowicz	Monika	F	EVALUATOR	PL	Rehasport Clinic Sp. z o.o., SME (PIC No. 953273127)	Poland	Poznan	Voluntary activities in sport // Sport medicine // Sport // Rehabilitation // Quality of health care // Project financing // Physiotherapy // Orthopaedics // Medical services // Master's or equivalent // Kinesitherapy // IT skills and competence // International cooperation and networks // Event moderation // Evaluation of programmes/projects // Enhancing personal skills // Education-enterprises partnerships // Doctoral or equivalent // Conducting educational research // Application assessment
Hanke	Wojciech	M	EVALUATOR	PL	Nofer Institute of Occupational Medicine	Poland	Lodz	Health sciences
Hermanowicz	Adam	M	EVALUATOR	PL	Medical University of Białystok	Poland	Białystok	Paediatrics // Neurosurgery // Gastroenterology and hepatology // Abdominal surgery
Jankowska	Ewa	F	EVALUATOR	PL	Polimed Sp. z o.o.	Poland	Warszawa	Research integrity and research misconduct // Regulatory affairs // Pharmacovigilance // Pharmacological sciences // Medicine // Medical ethics // Health sciences // Ethics in natural sciences // Ethics in medical sciences // Ethics in health sciences // Drug development, late phases // Drug development, clinical phases // Clinical trials // Clinical research // Clinical medicine
Jankowski	Konrad	M	EVALUATOR	PL	University of Warsaw	Poland	Warsaw	Sociology // Social topics (Women's and gender studies) // Social issues // Psychology, special (including therapy for learning, speech, hearing, visual and other physical and mental disabilities) // Psychology (including human - machine relations) // Psychology // Psychological and Social aspects // Psychiatric disorders // Neuropsychology // Mental health // Mental disorders // Mechanisms of pain // International cooperation // Generic skills // EUROPE FOR CITIZENS // ERASMUS+ // Education (e.g. learning, memory, emotions, speech) // Behavioural neuroscience (e.g. sleep, consciousness, handedness) // Academic profile
Jóźwik	Maciej	M	EVALUATOR	PL	Medical University of Białystok, Białystok, Poland	Poland	Białystok	Obstetrics // Human reproduction
Kania	Gabriela	F	EVALUATOR	PL	University Hospital Zürich, Switzerland	Switzerland	Schlieren	Translational medicine // Rheumatology // Organ physiology and pathophysiology // Myocardial and pericardial diseases // Innate immunity and inflammation // Immunosignalling // Immunology // Heart failure // General pathology // Comparative physiology and pathophysiology // Cell biology, Microbiology // Cardiovascular diseases // Biological basis of immunity related disorders

Kaniewska	Dorota	F	EVALUATOR	PL	WestPomeranian Centre For Reproductive Medicine and Gynecology "Vitrolive"	Poland	Szczecin	Technologies involving the manipulation of cells, tissues, organs or the whole organism (assisted reproduction) // Technologies involving identifying the functioning of DNA, proteins and enzymes and how they influence the onset of disease and maintenance of well-being (gene-based diagnostics and therapeutic interv // Reproductive biology // Plant physiology // Obstetrics and gynaecology // Human reproduction // Human fertility // Human embryology // Households, family and fertility // Health-related biotechnology // Health // Gender in genetics and heredity // Gender in developmental biology // Epigenetics and gene regulation // Environmental biotechnology // Development, developmental genetics, pattern formation and embryology in plants // Cell biology, Microbiology // Biotechnology (non-medical), bioreactors, applied microbiology // Andrology
Karakiewicz	Beata	F	EVALUATOR	PL	Pomeranian Medical University	Poland	Szczecin	Population dynamics, aging, health and society // Mental health // Long term health hazard prevention in security related situations // Health
Kardas	Przemyslaw	M	EVALUATOR	PL	Medical University of Lodz	Poland	Lodz	Translational medicine // Screening programme // Public health and epidemiology // Primary prevention // Prevention programme // Prevention and treatment of infection by pathogens (e.g. vaccination, antibiotics, fungicide) // Pharmacology, pharmacogenomics, drug discovery and design, drug therapy // Personalised prevention // Non-communicable diseases (except for neural/psychiatric, immunity-related, metabolism-related disorders, cancer and cardiovascular diseases) // Meta-analysis // Interventional clinical trials // Geriatrics and gerontology // General and internal medicine // Family medicine // Disease prevention // Disease control // Clinical trials // Chronic diseases // Cardiac and Cardiovascular systems
Kimber	Zaneta	F	EVALUATOR	PL	Medical University of Lublin	Poland	Lublin	Venerology // Social biomedical sciences (includes family planning, sexual health, psycho-oncology, political and social effects of biomedical research) // Sexual health // Respiratory systems // Population dynamics, aging, health and society // Physiology (including cytology) // Pharmacology and pharmacy // Perinatal health // Obstetrics and gynaecology // Obesity // Nutrition related disorders // Households, family and fertility // Family medicine // Environment and health risks, occupational medicine // Endocrinology and metabolism (including diabetes, hormones) // Diabetology // Clinical neurology
Klimczuk	Andrzej	M	EVALUATOR	PL	Translated S.R.L	Italy	Rome	Video-Games developer and producer - Media // Sociology // Social services // Social issues // Social innovation // Robotics for healthcare // Public administration // promotion of employability // New technologies for Audio-Visual sector - Media // Labour economics, income distribution and poverty // Inclusion // Human resource management // Healthy ageing // Experience in the field : between 4 and 10 years // Digital Social Innovation // Demography // Corporate Social responsibility // Business and Management // Ageing
Koprowski	Adam	M	EVALUATOR	PL	Independent Consultant	Poland	Warsaw	Technology commercialisation // Systems networks // Systems analysis and models development // Scientific advice // Innovation strategies // Health services, health care research // Business communication
Kossowska	Małgorzata	F	EVALUATOR	PL	Jagiellonian University	Poland	Kraków	Social psychology // Neuropsychology and cognitive psychology // Gender in psychology // Experimental psychology // Differential psychology // Cognitive science // Cognitive and experimental psychology: perception, action, and higher cognitive processes // Cognition (e.g. learning, memory, emotions, speech) // Behavioural neuroscience (e.g. sleep, consciousness, handedness)
Kretowski	Adam	M	EVALUATOR	PL	Medical University of Białystok	Poland	BIAŁYSTOK	Rare diseases // Nutrition related disorders // Health sciences // Endocrinology // Dietetics // Diabetology // Clinical pharmacology // Clinical medicine // Clinical genetics // Clinical analysis
Krzeminski	Tadeusz	M	EVALUATOR	PL	Medical University of Silesia	Poland	Zabrze	Pharmacology and pharmacy // Health sciences // Clinical pharmacology
Laskowska	Marzena	F	EVALUATOR	PL	University Hospital	Poland	Lublin	Obstetrics and gynaecology
Los	Marek	M	EVALUATOR	PL	Linköping University	Sweden	Linköping	Tissue engineering // Stem cell therapy // Stem cell biology // Signal transduction // Molecular biology and interactions // Medical engineering and technology // International cooperation // Human embryology // Health-related biotechnology // Genetic engineering // ERASMUS+ // Cell differentiation, physiology and dynamics // Cell cycle and division // Cell biology and molecular transport mechanisms // Biomedical engineering // Biology of ageing // Biochemistry and molecular mechanisms of signal transduction // Applied genetic engineering, transgenic organisms, recombinant proteins, biosensors
Luszczynska	Aleksandra	F	EVALUATOR	PL	University of Social Sciences and Humanities (SWPS)	Poland	Wroclaw	Sport and fitness sciences // Social biomedical sciences (includes family planning, sexual health, psycho-oncology, political and social effects of biomedical research) // Psychosomatics // Psychological sciences // Occupational health // Nutrition, Dietetics // Nursing // Medical sciences // Health policy and services
Makalowski	Wojciech	M	EVALUATOR	PL	University of Muenster	Germany	Muenster	Proteomics // Phylogeny // Natural sciences // Molecular evolution // Molecular biology // Medical sciences // Medical genetics // Genomics // Evolutionary biology // Biology // Biological sciences
Malyszko	Jolanta	F	EVALUATOR	PL	Medical University	Poland	Białystok	Health sciences
Marska-Dzioba	Natalia	F	EVALUATOR	PL	University of Szczecin	Poland	Szczecin	Specific business types (mutual, cooperatives, family businesses, liberal professions, etc // Social structure, inequalities, social mobility, interethnic relations // Social innovation // Social enterprises // Public economics // Public and environmental health // Public administration // Project financing // New business opportunities // Innovation systems // Innovation strategies // Innovation and diversity (e.g. gender) // Households, family and fertility // Health policy and services // Health care sciences and services (including hospital administration, health care financing) // Feasibility analysis // Economics of innovation // Development, economic growth // Corporate financing
Michalek	Krzysztof	M	EVALUATOR	PL	Karol Marcinkowski University of Medical Sciences	Poland	Poznan	Suppression immunotherapies // Rare diseases // Oncology // Medical sciences // Endocrinology // Diabetology // Chronic diseases // Biological basis of immunity related disorders // Anticancer therapy // Adaptive immunity
Mikocka-Walus	Antonina	F	EVALUATOR	PL	University of York	United Kingdom	York	Social and clinical psychology // Public health and epidemiology // Psychotherapy // Psychosomatics // Music therapy // Mental health // Mental disorders // Interventional clinical trials // Integrated care // Hypnosis // Gastroenterology and hepatology // Depression // Cohort studies // Clinical trials // Clinical psychology // Clinical and experimental psychology // Anxiety
Nalepa	Irena	F	EVALUATOR	PL	Institute of Pharmacology, Polish Academy of Sciences	Poland	Krakow	Neurochemistry and neuropharmacology // Health sciences // Drugs // Biochemistry and molecular mechanisms of signal transduction
Oleksiewicz	Urszula	F	EVALUATOR	PL	Poznan University of Medical Sciences	Poland	Poznan	Technologies involving identifying the functioning of DNA, proteins and enzymes and how they influence the onset of disease and maintenance of well-being (gene-based diagnostics and therapeutic interv // Stem cell therapy // Molecular genetics // Molecular biology // Human genetics // Human biology // Health sciences // Genetics and heredity // Genetics // Genetic engineering // Genetically modified organisms // Clinical analysis // Cell biology, Microbiology // Cell biology // Cancer and its biological basis // Biomarkers // Biological engineering // Biochemistry and molecular biology // Biochemical research methods
Paczek	Leszek	M	EVALUATOR	PL	Polish Academy of Science	Poland	Warsaw	Medical sciences
Pastuszek-Lipinska	Barbara	F	EVALUATOR	PL	National Centre for Research and Development	Poland	Warsaw	Youth // Use of language: pragmatics, sociolinguistics, discourse analysis, second language teaching and learning, lexicography, terminology // Social sciences // Psychology, special (including therapy for learning, speech, hearing, visual and other physical and mental disabilities) // Psycholinguistics // Performing arts - Culture // Management and monitoring of large cooperation/partnership/network projects // Literature books and reading - Culture // Language sciences // IT skills and competence // Humanities // Functions - Culture // Formal, cognitive, functional and computational linguistics // Education // Editorial skills // Democratic engagement and civic participation // Cultural heritage - Culture // Communication technology // Application assessment // Academic profile
Pawlak	Robert	M	EVALUATOR	PL	University of Exeter	United Kingdom	Exeter	Health sciences
Podbielska	Halina	F	EVALUATOR	PL	University School of Physical Education	Poland	Wroclaw	Sport medicine // Sport // Remote sensing // Optometry // Optics // Nanotechnology // Nanobiotechnology // Microscopy // Medical technology // Health-related biotechnology // Experimental education // Education // Diagnostics // Dermatology // Degenerative diseases // Cardiology // Biophysics // Biomedical engineering // Biomaterials (as related to medical implants, devices, sensors) // Biomaterial engineering
Popik	Waldemar	M	EVALUATOR	PL	Meharry Medical College	United States	Nashville	Virology // Cell biology, Microbiology // Biochemistry and molecular biology

Religa	Dorota	F	EVALUATOR	PL	Karolinska Institutet	Sweden	Stockholm	Risk scores // Report assessment // Registries // Programme/project/thematic/monitoring // Nursing // Meta-analysis // Medical ethics // International cooperation and networks // General and internal medicine // Ethics in health sciences // Disease control // Dementia
Rudnicka	Lidia	F	EVALUATOR	PL	Medical University of Warsaw	Poland	Warsaw	Oncology // Dermatology and venereal diseases // Dermatology // Cosmetology // Clinical pharmacology // Clinical medicine // Biological basis of immunity related disorders (e.g. autoimmunity) // Anticancer therapy
Rylski	Marcin	M	EVALUATOR	PL	ENELMED	Poland	Warsaw	Transcriptomics // RNA synthesis, processing, modification and degradation // Radiology, nuclear medicine and medical imaging // Public and environmental health // Protein synthesis, modification and turnover // Oncology // Occupational health // Neurosciences (including psychophysiology) // Neurochemistry and neuropharmacology // Morphology and functional imaging of cells // Molecular genetics, reverse genetics and RNAi // Molecular genetics // Molecular biology and interactions // Molecular and cellular neuroscience // Life sciences // Health // Epigenetics and gene regulation // DNA synthesis, modification, repair, recombination and degradation // Clinical neurology // Cell cycle and division
Sliwowska	Joanna	F	EVALUATOR	PL	Life Science University of Poznan	Poland	Poznan	Physiology // Neurosciences // Human teratology // Human reproduction // Histology // Cell biology // Brain research // Alcohol diseases
Sołtysinski	Tomasz	M	EVALUATOR	PL	Physikalisch-Technische Bundesanstalt	Germany	Berlin	Video-Games developer and producer - Media // Theoretical computer science, formal methods, quantum computing // Signal processing // Scientific computing and data processing // Research to business // Quantum optics and quantum information // Optical engineering, photonics, lasers // Numerical analysis, simulation, optimisation, modelling tools, data mining // Neuroimaging and computational neuroscience // Medical engineering and technology // Machine learning, statistical data processing and applications using signal processing (e.g. speech, image, video) // Informatics and information systems // Human computer interaction and interface, visualization and natural language processing // Data and image processing // Computer graphics, computer vision, multi media, computer games // Computer games, multi-media, augmented and virtual reality // Computational biology // Biophysics (e.g. transport mechanisms, bioenergetics, fluorescence) // Bioinformatics, e-Health, medical informatics // Bioinformatics, biocomputing, and DNA and molecular computation
Stadnicki	Antoni	M	EVALUATOR	PL	N/A	N/A	N/A	Innate immunity and inflammation
Suwalska	Aleksandra	F	EVALUATOR	PL	Psyche and Soma	Poland	Poznan	Substance abuse // Social sciences // Social issues // Social biomedical sciences (includes family planning, sexual health, psycho-oncology, political and social effects of biomedical research) // Public and environmental health // Psychology, special (including therapy for learning, speech, hearing, visual and other physical and mental disabilities) // Psychology (including human - machine relations) // Psychiatry // Nutrition, Dietetics // Higher Education // Health sciences // Geriatrics and gerontology // EU AID VOLUNTEERS // Epidemiology // Endocrinology and metabolism (including diabetes, hormones) // Application assessment
Szamotołska	Katarzyna	F	EVALUATOR	PL	National Research Institute of Mother and Child	Poland	Warsaw	Public and environmental health // Pediatrics // Obstetrics and gynaecology // Health policy and services // Epidemiology
Szymczakiewicz-Multanowska	Agnieszka	F	EVALUATOR	PL	Kozminski University	Poland	Warszawa	Vaccines // Rheumatology // Public health // Pharmacy // Nephrology // Medical ethics // Infections // Health sciences // General and internal medicine // Family medicine // Ethics in medical sciences // Ethics in health sciences // Clinical pharmacology // Clinical medicine // Chronic diseases // Biological basis of immunity related disorders (e.g. autoimmunity) // Anticancer therapy
Walter	Bartosz	M	EVALUATOR	PL	Polish Academy of Sciences	Poland	Warsaw	Zoology, Ornithology, Entomology, Behavioural sciences biology // Technology development // Strategic management // Reproductive biology // Patents // New business opportunities // Medical devices // Licensing // Knowledge and Technology transfer // Internationalisation // Innovation systems // Innovation strategies // Innovation Management Consulting // Innovation Management Assessment // Entrepreneurship // Business support services // Business strategies // Business models // Business development // Business analysis
Węglarz	Władysław	M	EVALUATOR	PL	Institute of Nuclear Physics Polish Academy of Sciences	Poland	Kraków	Soft matter and polymer physics // Physical sciences // Metrology and measurement // Medical physics // Experimental physics // Atomic, molecular and chemical physics (physics of atoms and molecules including collision, interaction with radiation magnetic resonances Moessbauer effect)
Witkowski	Jacek M.	M	EVALUATOR	PL	Medical University of Gdansk	Poland	Gdansk	Rheumatology // Proteomics // Organ physiology and pathophysiology // Oncology // Monoclonal antibodies // Molecular markers and recognition // Immunology // Histology // Geriatrics and gerontology // Genomics // Diagnostics // Degenerative diseases // Cytogenetics // Clinical biology // Chronic diseases // Cell biology // Biological basis of immunity related disorders // Ageing
Wyska	Elżbieta	F	EVALUATOR	PL	Faculty of Pharmacy, Jagiellonian University	Poland	Krakow	Veterinary pharmacology // Toxicology // Pharmacy // Pharmacology, pharmacogenomics, drug discovery and design, drug therapy // Pharmacokinetics // Pharmacodynamics // Pharmaceutical development // Personalised treatment // Health sciences // Gender in health sciences // Drugs analysis // Drug diseases // Drug development, clinical phases // Depression // Clinical trials // Clinical Pharmacology // Basic pharmacology
Zemotaj	Tomasz	M	EVALUATOR	PL	Labor Berlin, University Clinics Charite, Berlin	Germany	Berlin	Psychiatric disorders (e.g. schizophrenia, autism, Tourette's syndrome, obsessive compulsive disorder, depression, bipolar disorder, attention deficit hyperactivity disorder) // Population genetics // Neurological disorders (e.g. Alzheimer's disease, Huntington's disease, Parkinson's disease) // Molecular genetics, reverse genetics and RNAi // Molecular genetics // Medical genetics // Marine biology // Hematology // Genomics // Environmental genomics // Education // Ecological genetics // Developmental biology // Cytogenetics // Clinical genetics // Cell genetics // Cancer and its biological basis // Application assessment // Academic profile
Zietkiewicz	Ewa	F	EVALUATOR	PL	Institute of Human Genetics, Polish Acad of Sciences	Poland	Poznan	Rare diseases // Programme/project/thematic/monitoring // Population genetics // Population biology // Molecular genetics // Medical genetics // Genomics // Genetics // Genetic epidemiology // Genetic drift // Evolutionary biology // DNA analysis // Clinical genetics // Biodiversity characterisation // Application assessment
Złotkowska	Renata	F	EVALUATOR	PL	Medical University of Silesia	Poland	Bytom	Substance abuse // Public and environmental health // Occupational health // Health care sciences and services (including hospital administration, health care financing) // Epidemiology
