MOTIVATION

Please indicate why you wish to participate in the Erasmus for Young Entrepreneurs programme and state your expectations :	I'm running my company since 22 years, and it developed well. We are designing, arranging and installing plants for filling and packaging industry. I would like to give start up entrepreneurs the chance to learn about management of a company. I'm interested in learning about conditions for my business in the country of origin of the trainee and to exchange ideas and get new ideas from the trainee.
Experience in running a business (number of years) :	22
Specific skills required for the NE :	The trainee should have knowledge in mechanical engineering and/or business economy and language skills in English and (some) German. It would be helpful if the trainee knows CAD design.
Additional important information about the offer :	I offer practical training in business administration, ordering and contractual issues, management tasks, design of technical solutions for special purposes.
CV :	CV have been discarded upon the entrepreneur's request.
